

To The Officers and Members of the Centralia Rifle Club,

I understand and agree to the following:

1. I, and the individuals that I bring with me as guests, will shoot only the calibers and cartridges listed on Attachment A to this letter in the Centralia Rifle Club Range. If I have a caliber or pistol cartridge which isn't on the list, I have to seek to have it added before I can use it.
2. I won't hang targets on the vertical posts on the Range, or to the horizontal plank in front of the sand bunker. If I inadvertently shoot into the vertical or horizontal wooden surfaces, I'll report it the same day by phone to one of the club officers.
3. I won't shoot at steel, movable, breakable or other action targets except under the direct supervision of a Range Safety Officer.
4. I won't shoot from any place other than the 50 ft. firing line. If I want the targets closer, I 'll use the portable target stands, which may be at any distance from the firing line. **I will not use the air rifle backstops.**
5. I will make certain that these rules are followed, by any guests that I bring to the range and by member or their guests who are using the range at the same time I AM.
6. If I am found by door log evidence or any other means to have violated any of these rules and not immediately reported the violation to a club officer, I understand the following will happen.
 - A. Following a hearing, my membership will be suspended and terminated.
 - B. I will be held responsible for the cost of repairing the damage caused by my activities, which may include being sued in the Lewis County District Court.
 - C. If the violation is a serious one, criminal charges of malicious mischief may be sought against me.
7. I agree to these because I want our club to remain a safe place for individuals to shoot without supervision.
