To The Officers and Members of the Centralia Rifle Club,

I understand and agree to the following:

1. I, and the individuals that I bring with me as guests, will shoot only the calibers and cartridges listed on Attachment A to this letter in the Centralia Rifle Club Range. If I have a caliber or pistol cartridge which isn't on the list, I have to seek to have it added before I can use it.
2. I won't hang targets on the vertical posts on the Range, or to the horizontal plank in front of the sand bunker. If I inadvertently shoot into the vertical or horizontal wooden surfaces, I'll report it the same day by phone to one of the club officers.
3. I won't shoot at steel, movable, breakable or other action targets except under the direct supervision of a Range Safety Officer.
4. I won't shoot from any place other than the 50 ft. firing line. If I want the targets closer, I 'll use the portable target stands, which may be at any distance from the firing line. **I will not use the air rifle backstops.**
5. I will make certain that these rules are followed, by any guests that I bring to the range and by member or their guests who are using the range at the same time I AM.
6. If I am found by door log evidence or any other means to have violated any of these rules and not immediately reported the violation to a club officer, I understand the following will happen.
 - A. Following a hearing, my membership will be suspended and terminated.
 - B. I will be held responsible for the cost of repairing the damage caused by my activities, which may include being sued in the Lewis County District Court.
 - C. If the violation is a serious one, criminal charges of malicious mischief may be sought against me.
7. I agree to these because I want our club to remain a safe place for individuals to shoot without supervision.

SAFETY' RULES'

- Treat all firearms as if they are loaded at all times.
- Always keep the muzzle of your weapon pointed in a “safe direction”. Within the Centralia Rifle Range, this is “downrange”.
- Keep your finger off the trigger until you are ready to fire.
- Always keep your weapon unloaded until you are told to load by the Range Safety Officer, or until you are on the firing line and ready to fire.
- Eye and ear protection must be worn by all persons on the range, including spectators and visitors.
- Follow the orders of the Range Officer. If no range officer is present, informal groups of shooters should select a person to control their shooting activities.
- No intoxicating substances, nor persons under the influence of an intoxicating substance, illegal drug or prescription drugs, which would affect your ability to safely use firearms, are allowed on the range.
- All firing must be done from the 50 foot firing line. If you wish to have targets closer than 50 ft., mount paper targets on the movable target frames.
- To use movable target frames at less than 50 ft., lower the
- 50 ft. steel target holder (to it’s lower position), to avoid accidentally hitting it.
- Horseplay. Running and unnecessary conversations during firing periods are prohibited.
- Violations of these safety rules, or the instructions of a Range Safety Officer may lead to discipline, including but not limited to:
 - Ejection from the range.
 - Suspension of membership
 - Termination of membership

I have received, read, and understand these safety, range, and administrative rules and agree to follow them. I understand that this form must be signed and turned in with my membership application.
