VOLUME 7, NUMBER 9

September 2013

We welcome our new members for this month: Donnie Shipman and William Command.

We hope you will make lots of new friends and enjoy good shooting. Steve explained to new members that the range is open 24/7 except for a few special events. For example: High School rifle teams (November thru February from 3-7), during BME events (scheduled twice a year), and during Hunters Education.

Note: If you give your door access number to anyone you will be out of the club.

New members' codes will be entered in the door after the First Steps class has been completed and the background check completed or copy of Concealed Carry Permit submitted.

Dan Steffen has taken over responsibility for maintain the door entry codes. The new door lock has been installed. You will need your new 6 digit codes.

PISTOL FIRST STEPS

New members are required to take a "Pistol First Steps" course, unless they have evidence of prior training. The class will generally be scheduled every month. The only cost for the class will be \$15.00, the cost of materials.
