VOLUME 8, NUMBER 6

May 2014

We welcome our new members this month: Julia & Paul Broussard and Michael & Mary Farrell. We hope you will make a lot of new friends and enjoy good shooting. Steve explained to the new member that the range is open 24/7 except for a few special events. For example: High School rifle teams (November thru February from 3-7), during BME events (scheduled twice a year), and during Hunters Education. **Note:** If you give your door access number to anyone you will be out of the club.

New members' codes will be entered in the door after the First Steps class has been completed and a background check completed or a copy of Concealed Carry Permit submitted.

PISTOL FIRST STEPS

New members are required to take a "Pistol First Steps" course, unless they have evidence of prior training. The class will generally be scheduled every month. The only cost for the class will be \$15.00, the cost of materials.

BACKGROUND CHECKS

INITIATIVE I-594

Steve Carmick reported on Initiative I-594, if this initiative passes, the club may have to close, and would no longer be able to have rifle teams. Any weapon on hand must be registered to the person in possession of the weapon. It will be a felony to have a gun in your possession that is not registered in your name. He suggested the club look into the cost of billboards. Everyone should contact everyone they know to let them know the repercussions of the Initiative.

LEWIS COUNTY FAIR

Planning is beginning for the Rifle Club Booth at the fair Tuesday August 12th through August 17th. The booth has a video shooting game. The booth will be set up on Sunday. . Instruction on using the program will be on Monday August 10th. Volunteers work four hour shifts. Shifts are 10:00 am – 2:00 pm; 2:00 pm – 6:00 pm; and 6:00 pm – 10:00 pm.
