**VOLUME 9, NUMBER 6**

**June 2015**

We welcome Tim Klein to the club. We hope you will make a lot of new friends and enjoy good shooting.

New members' codes will be entered in the door after the First Steps class has been completed and a background check completed or a copy of Concealed Carry Permit submitted.

The range is open 24/7 except for a few special events. For example: High School rifle teams (November thru February from 3-7), during BME events (scheduled twice a year), and during Hunters Education. **Note:** Sharing of access codes is grounds for removal from the club.

When a member brings a guest, the guest must complete and sign an Indemnity Agreement. They are stored near the sign-in sheet on the small table near the door.

**PISTOL FIRST STEPS**

New members are required to take a "Pistol First Steps" course, unless they have evidence of prior training. The class will generally be scheduled every month. The only cost for the class will be \$15.00, the cost of materials.

**BACKGROUND CHECKS**

Because the club has unsupervised shooting we must ensure members are legal to possess a weapon. An application fee of \$25.00 will be charged to all members for a background check. The fee will be waived if the applicant has a concealed carry permit.

**TRAINING OPPORTUNITIES**

- Hunter Safety training will be taught by Rick Miller.
- Planning continues for a Personal Protection Outside the home training class.
- Soon a course will be offered to train people who wish to become instructors.

Check our website calendar for dates and times of planned events.

See Calendar for dates of Personal Protection in the home.

The Friends of NRA Banquet will be held in September this year.

**VOLUNTEER OPPORTUNITIES**

## **OLD BUSINESS**

### **LEWIS COUNTY FAIR**

It is time to sign up for a shift at the Rifle Clubs booth at the Fair. The electronic shooting game is a lot of fun. Kids and adults love to stop by and play a couple games. Shifts are 10am -2pm; 2pm-6pm; and 6pm to 10pm. Contact Sue Carmick too sign up for a shift.

### **NRA FOUNDATION GRANT**

The Club has received \$5,000 towards the cost of the ceiling project. Steve Carmick will be sending out Bid Specifications. The bank will give the Club a loan to complete the project. Discussion included: We will need a forklift to take out the big beams. Dave Rasmussen rebuilds Barns, maybe we could trade the beams for the work of taking them out, we could purchase the steel with the grant and then go on.

### **PERSONAL PROTECTION IN THE HOME**

This training is being held in coordination with Pistol First Steps on June 27 & 28. The limit is 20 people so sign up quickly.

A second opportunity for this training is being held on August 15 & 16.

### **RIFLE REPAIR**

Ken Lentz will coordinate with Brad Tarbet

## **NEW BUSINESS**

### **CARDBOARD FOR TARGET STANDS**

Cardboard on the portable target stands needs to be replaced. If anyone has a source of large pieces of cardboard please bring them in.

Pat Sweeney has 4 or 5 sheets of Coroplast he will bring to the range.

### **CONTRACT WITH THE CITY**

Steve drafted an extension to the city contract. An extension is needed as part of the loan agreement with the bank for the funds to complete the ceiling project.

The City needs to be added as additional insured on the clubs insurance policy.

### **TREASURER FUNCTION**

Jean Falb has been elected Interim Treasurer.

Discussion related to Quick Books. Quick books offers an on-line version. An administrator can set access controls and create separate sign-ins. We could use the "Cloud" Each user could access the records needed.

Make it the duty of the Vice President to learn Quick Books.

Steve proposed bank reconciliation's be done monthly and provided to the board.

Nathan Reitz explained we should consider five users with an administrators account, each user would have access to only the sections needed.
