OLD BUSINESS

Steve emphasized the importance of bringing in new shooters, especially new young people. We're here to train responsible people.

Chuck suggested putting on a rifle first steps training for junior shooting. This would be an open shoot on a Saturday with supervision. The goal is to get to a position where a large percentage of shooters are junior shooters.

Please complete all columns on the new sign in sheet.

Steve discussed the bullet proofing of the ceiling over one bay. This will include lanes 1 - 6.

Exterior Lighting

Dan Freeman will follow up with contacting a licensed electrician.

NEW BUSINESS

Daniel read a proposal to have practical shooting to practice procedures learned in PPIH. The evenings would be supervised by an RSO. The proposal is for members only with no charge for participation.

A motion was passed to table the discussion until the next board meeting.
