OLD BUSINESS

LEWIS COUNTY FAIR - August 16 - 21

Our booth at the Lewis County Fair was very successful. Paper targets were used with the clubs pellet air rifles. Safe Shooting Certificates were given to the participants.

The Friends of NRA Foundation Banquet, was held on September 10th .

The Friends of NRA Foundation provides much needed and appreciated grant funds for specific items requested in grant applications. The Club has submitted four grant applications this year. At the banquet there was a live auction, a silent auction, drawings, and several games to play. The food was good and everyone had a great time.

MAJOR IMPROVEMENT PROJECT

Work has begun on bays 7 through 12. Currently Mike is working on pulling down the 8'x12' wood beams. The ceiling will be lowered and bulletproofed, and air circulation installed. A portion of this project is funded through NRA Foundation grants. \$5,000 of steel has been purchased and another \$5,000 has not yet been purchased.

The bank will accept the Club's rifles as collateral for the loan. Brad will create a work schedule and coordinate with the electrician. The cost for the electrician will add \$10 to \$20 thousand dollars to the cost of the project.

Daniel will email a copy of the timeline to the Club Members when it becomes available.

PAINT EXTERIER OF BUILDING

Painting the exterior of the building is on hold. Depending on the weather, the painting may be on hold until spring.

NEW BUSINESS

HIGH SCHOOL RIFLE TEAMS

High School shooters will begin shooting on September 20. The range will be in use from 3:30 to 6 or 7 week days. The end of Rifle Team activities is March 2, 2017. Check the Club Calendar on-line for specific details. **Volunteer Opportunity** Centralia and WF West Teams both need scorers.

DOOR LOCK

The pad on the door lock is getting worn, numbers are no longer readable. The Board discussed a magnetic card lock system and determined that having to carry a card to unlock the door was too much trouble. The key pad numbers will be replaced.
